Skills

- PYTHON
- HTML
- CSS
- Flask
- SQLite3
- Github
- javascript
- React

Education

Msc Computer Science

Udaya College of arts and Science

06/2021 – 05/2023 | Vellamodi

Bsc Computer Science

Udaya College of arts and science

06/2018 – 06/2021 | Vellamodi

Courses

Python Backend Development

Learnerpro

06/2025 – 09/2025 | Parvatipuram

Completed an in-depth course on **Python Backend Development** using the **Flask framework**. Learned to design and build RESTful APIs, manage routes, handle CRUD operations, and connect databases using **SQLite3 / SQLAlchemy**.

Professional Experience

React js - INTERNSHIP

09/2025 – 10/2025

Wenoxo Technology Pvt Ltd, Parvatipuram

Completed a practical course in **React JS** focusing on building interactive and responsive front-end applications.

Projects

ECommerce Website

Tech Stack: React.js, Flask, SQLite3, Tailwind css

* Developed a full-stack e-commerce application featuring product listings, shopping cart, and checkout functionality.

* Created and integrated RESTful APIs using Flask for seamless frontend-backend communication.

* Managed and stored application data using SQLite3.

* Designed and implemented a responsive UI with reusable React.js components and pure CSS.

Personal Portfolio Website

Tech Stack: React.js, HTML, CSS

* Created a responsive portfolio to showcase skills and projects.

* Used React components with structured HTML and custom CSS for a clean, modern design.

* Deployed the site for live access and optimized performance.
